Dear Families,

Welcome to class 2-206. I am so excited to be working with your children this year, bringing my passion for teaching while instilling in the students a sense of discovery and wonder throughout the learning process. It is my eighth year at P.S.39, and my 16 years teaching.

Your child's academic, social and emotional growth is a collaborative effort between the teachers and parents. Please feel free to email me with any questions, concerns, changes in pick-up or playdate arrangements. The best email to reach me at is: mhead@ps39.org. I encourage you to take advantage of parent engagement time every Tuesday afternoon from 2:50-3:30 to schedule meetings or phone calls.

I have created a shutterfly site for our class, which provides links and resources that you may find useful as your child embarks on their second grade journey. You can contribute pictures from PTA events and field trips to share with the class.

Please check your child's back pack each day and make sure to return permission slips in a timely manner, as well as to empty out any "Keep at Home" items from the right side of the folder. This is much appreciated and helps keeps your child's work organized.

Our classroom is located on the right side of the building on the second floor in room 206. Morning line up and dismissal will be the 8th street side of the building. This year 2nd graders will have lunch and recess period 5 from 11:58 – 12:52. They will have lunch first followed by recess. Below is our class prep schedule for the year. Please encourage your child to wear sneakers to school everyday (especially on gym days) so that they can participate safely in all activities.
