

Welcome to the 2019-2020 School Year at PS 39!

Dear PS 39 Families,

Welcome back to another awesome science year at PS 39! I can't wait to see your children again and hear all about the adventures they had over the summer. We are going to have a wonderful science year, filled with hands-on learning exploring the physical, earth, and life sciences. Don't worry, our beloved bunny Marshmallow will be back too and looks forward to spending long weekends/holidays with you!

Below is my weekly schedule so you can see when your child has science class.

PERIOD	MON	TUES	WED	THURS	FRI
Morning Line Up 8:10-8:20	Upper school yard/ adjacent to the playground	Upper school yard/ adjacent to the playground	Upper school yard/ adjacent to the playground	Upper school yard/ adjacent to the playground	Upper school yard/ adjacent to the playground

7 1:50-2:40	4-306 Ms. Drapala	4-304 Ms. Samela	4-304 Ms. Samela	3-202 Ms. Lutrario	Inquiry

Communication is very important to me. Please use slong@ps39.org to email me with any questions you may have during the year. Don't forget: "Every Tuesday afternoon between 2:40-3:25 has been designated by the DOE as Parent Engagement Time. These 40 minutes have been set aside for face to face meetings, telephone conversations, and written correspondence (including email) with parents. Please take advantage of this time to communicate with me as needed across the school year. Although this specific time has been provided it is not the only time that I'm available to meet or speak with parents. We'll be communicating regularly. School/family communication is important at PS 39!"

Upcoming School Events

- Curriculum Night Thursday, Sept. 12
- Welcome Dinner Saturday, Sept. 21
- First PA meeting of the year Tuesday, Sept. 26

I look forward to meeting all of your future scientists!

Sincerely,

Mrs. Long ☺ Science Teacher Room 302
