## CBE KIDS AFTER SCHOOL CENTER

---

### Beth Elohim After School Program at PS 39

Congregation Beth Elohim's After School Program at PS 39 offers children a wide variety of instructional classes and recreational activities in a safe and caring environment. We believe that each child develops at his or her own pace. Our program encourages children to express themselves and their creativity in a relaxed and enjoyable atmosphere. All program areas are supervised by a highly qualified staff.

The program operates on a semester basis and is available to children from Kindergarten through Gr. 5.

**Fall Term:** Wednesday, September 16, 2015 - Friday, December 11, 2015

**Winter:** Monday, December 14, 2015- Friday, March 18, 2016

**Spring Term:** Monday, March 21, 2016- Friday, June 17, 2016

The program is available on school days, Monday-Friday from 2:40-5:45. **Children will enroll and participate in one enrichment class per day** (see enclosed course descriptions for options). Families will have the option to register for additional child care at Beth Elohim on days the school is closed and during school vacations, for an additional fee. Pick up on these days will be at Beth Elohim.

#### Daily Schedule:

At dismissal time, teachers will escort students participating in the after school program to the cafeteria. Students participating in Extended Day on Tuesday and Wednesday will be escorted to the cafeteria at 3:30. Students will attend one enrichment session per day. The daily schedule for the program is as follows.

- 2:40-3:45- supervised outdoor play/choice time /snack provided by the program in the cafeteria *or* selected enrichment activity (for select classes on M, Th, F)
- 3:45- 4:45- selected enrichment activity **or** organized games/activities and homework help
- 4:45-5:45- selected enrichment activity **or** organized games/activities and homework help
- 5:45- 6:00- dismissal from the cafeteria

**Note: students using the SINGLE CLASS option will stay for their class only.**

**Late Pick-up Policy: For every minute past 6pm, you will be charged \$1 per minute. If you are going to be late, please call (718)330-9310 ext. 1000 and leave a message with the Safety Agent. If you are late more than three times in one month, we reserve the right to ask your family to leave the program.**

#### Registration: **New 5% Sibling Discounts are Available!**

Please complete the **online** application form with payment to register at [www.cbebk.org/afterschool](http://www.cbebk.org/afterschool) . You can also find the application on the PS39 website. Indicate a 1<sup>st</sup> and 2<sup>nd</sup> choice of activity on the application as enrollment is based on a **first come first serve** basis. Please note- if a class is under-enrolled, CBE may have to cancel that class section. Some of the courses offered through this program are held at the CBE site (Garfield and 8<sup>th</sup> ave)- please make note if you are selecting a class offered at this location as your child will need to walk to this location with CBE staff members and families will be required to pick up from that location.

#### Payment:

Full payment for each semester is due at time of registration .If you need to discuss a payment plan, please contact Lisa Wolf (lwolf@cbebk.org). There will also be a one-time per year registration fee of \$75 for each family. This is a required fee for all participants regardless of the number of days or semesters attending. **Contacts:** Please contact Bobbie Finkelstein, CBE Kids After School Director, (bfinkelstein@cbebk.org (718)768-3814 ext. 210), Desma Roberts, CBE Kids Site Supervisor at PS 39, ([droboters@cbebk.org](mailto:droboters@cbebk.org) or (718) 330-9310 ex 1000 between 2:30-6pm), or Karen Herskowitz, PS 39 Parent Coordinator ([kherskowitz@ps39.org](mailto:kherskowitz@ps39.org) or (718)330-9310 ext. 1003).

## CBE KIDS AFTERSCHOOL CENTER

## Home Work Clinic

This Fall, Congregation Beth Elohim After School Program at PS39 will be offering a tutoring and homework enrichment program. This program is designed to enrich your child's basic skills in fun and interesting ways through direct teaching and interactive games. After school tutoring will strive to enhance your child's daily instruction and help he/she gain confidence in his/her abilities, by adding new strategies to his/ her repertoire, as she/he strives to meet the new educational standards. Meeting time will be arranged during the student's free period of after school .If you are interested please contact Desma Roberts at [droberts@cbebk.org](mailto:droberts@cbebk.org).

#### Tuesday or Wednesday

3:45 -4:45pm slot

or

4:45 -5:45pm slot

Clinic Fees

**3 to 1 Ratio - \$150.00(10 sessions)**

Payment must be made in full or in two installments. Starting 3rd week into Semester (Week of Oct 5<sup>th</sup>). Absence: All lessons must be paid for whether taken or missed, In case of teacher's absence or holidays, arrangement will be made for make-up lessons. When we receive your confirmation you will be contacted to arrange a lesson time.

This activity is not sponsored or endorsed by the New York City Department of Education or the City of New York.

## MONDAY

### Gymnastics

This class is designed to help children become well-rounded gymnasts. A focus on graceful tumbling, strength, flexibility and more! Safety precautions are taken in all areas.

**K-1<sup>st</sup> 3:45-4:45**  
**2<sup>nd</sup> -5<sup>th</sup> 4:45-5:45**

### Origami and Book Crafts

Let's have fun learning origami folds to make animals, crowns, boxes and much more. Classes will also include sewing, pasting, writing and drawing to create unique book treasures.

**K-2<sup>nd</sup> 2:45-3:45**

### Creative Writing and Publishing

Students will focus on developing their writer's craft through games and activities. They will use the writing process to conceptualize, write, illustrate and produce their own books. Throughout the semester they will experiment with papermaking, ink making, calligraphy—typography, bookbinding, photography, design and layout. At the completion of this course students will have produced their own special book!

**3<sup>rd</sup> -5<sup>th</sup> 3:45-4:45**

### Soccer Mania

Children will be active in learning rules and skills, enhancing eye- feet coordination, body awareness and so much more. Put it all together and join the semester long tournament! Prospect Park will be used in nice weather.

**K-2<sup>nd</sup> 3:45- 4:45**  
**2<sup>nd</sup> -5<sup>th</sup> 4:45-5:45**

### Bionic Bitbots

From our friends at Open source Gallery, this course is a STEAM initiative (combining elements of science, technology, engineering, art and math). Taking inspiration from childhood fantasies, kids will design and build a part of their robotic bionic body and animate it with LittleBits. Each student will be able to assemble their pieces and suit up for an epic battle!

**K-2<sup>nd</sup> 3:45-4:45**

### BitBots and Space

Calling all intergalactic space explorers with interest in space and science. In this course, from KOKO Open source, students will be able to create their own solar system using the NASA scientist and LittleBits Space Kit and their imagination. This class is a fun way to discover to learn about earth and space!

**3<sup>rd</sup> -5<sup>th</sup> 4:45-5:45**

## TUESDAY

### Yoga and Children's Story Telling

We collectively tell stories through physical storytelling, drama techniques and other creative expression formats. Each child has a part to play every week and stories are always new and exciting!

**K-1<sup>st</sup> 2:45-3:45**

### Yoga and Meditation

Our yoga program focuses on physical activity, breathing techniques and relaxation practices into every class. Enhancing flexibility and coordination, building strength and self-confidence, developing body awareness, cultivating focus, and encouraging quiet contemplation. Class is structured to balance individual expression and growth while building positive group dynamics and conscientious friendships.

**2<sup>nd</sup> -5<sup>th</sup> 3:45-4:45**

### Animals, Monsters and Creatures

This class will include mixed media as well as a variety of materials. During the semester children will create a 3D model of their animal, creature and/or monster as well as a group mural.

**K-2<sup>nd</sup> 3:45-4:45**

### Arts in Myth and Legends

These stories are filled with exciting plots and superhuman characters allowing the artist's imagination to run wild. Using St. George and the Dragon, Medusa and Icarus, as well as other myths, students will create story boxes, mosaics, masks, flip books etc. The final project will be the student's creation of his/her own myth along with an artistic form of representation.

**3<sup>rd</sup> -5<sup>th</sup> 4:45-5:45**

### Roller Coaster Ride: Fun with Physics

Explore the ideas of gravity, force and motion. Create a crazy roller coaster. Young scientists will explore inclined planes, wheels, and other simple machines. They'll make toy cars and mini-race track with different surfaces to learn about the effects of friction on moving objects.

\*Read-alouds like "Roller Coaster" by Maria Frazee and "Sheep in a Jeep", by Nancy Shaw will help reinforce concepts and create excitement about science learning.\*

**K- 2<sup>st</sup> -3:45-4:45**

### Mystery Adventures

Like Nancy Drew and Sherlock Homes, students will dive into a series of scenarios which highlight different science concepts. They will use fingerprints, animal tracks, a ransom note, chromatography and more to solve the mystery and find the culprit!

**3<sup>rd</sup> -5<sup>th</sup> 4:45-5:45**

### World Drumming

This drumming course is an electric and enriching way for your child to learn rhythms from Africa, Cuba and Brazil as well as contemporary American rhythms. The students will also be creating their instruments and working towards an exciting performance.

**K-2 2:45-3:45**

**2<sup>nd</sup>- 3<sup>rd</sup> 3:45-4:45**

### Kickball Bonanza

Learn the skills and coordination used in kicking a ball and being part of a team sport. Children will enjoy the fun and team spirit of this game.

**1-2 3:45-4:45pm**

## WEDNESDAY

### Capoeira

This self-defense class promotes self-confidence and builds self-esteem. Students explore creativity through movement. Working in pairs; each student will improve his/her concentration, reaction time and problem solving ability.

K- 2<sup>nd</sup> 3:45-4:45  
3<sup>rd</sup> - 5<sup>th</sup> 4:45-5:45

### Game Maker 101

*( Game Maker 101 is Limited to 8 Students)*

Students will use strategy based board games to investigate the use of roll playing adventures, critical thinking and cooperative working skills in developing best-selling games. Then they will invent and create their own board games.

2<sup>nd</sup> -3<sup>rd</sup> 3:45-4:45  
4<sup>th</sup> -5<sup>th</sup> 4:45-5:45

### CBE KIDS TV- Channel 39

Students will create a serious of short videos. Students learn the basics of using video to tell stories in this program. They will make short original videos using animation, live action, and interviews. They will learn to use the video equipment and basic editing.

1<sup>st</sup> -2<sup>nd</sup> 3:45-4:45

### Advanced Video Production

Students will make programs that will be shown on the CBE website. Students will learn to use the video camera, and sound equipment as well as directing, acting, writing and editing as they make a movie based on a classic story, a short animation, and a documentary.

3<sup>rd</sup> -5<sup>th</sup> 4:45-5:45

### Cooking: Master Chef Edition!

Is there a difference between an herb and a spice? What is a whole grain? Cooking classes take a healthy approach as children learn the connections between the food we grow and what we put on the table.

K-1<sup>st</sup> 2:45-3:45  
2<sup>nd</sup> -5<sup>th</sup> 3:45-4:45

### Doll and Pillow Making

Learn how to sew by hand. Make various projects with fun fabrics and bright colors. Work at your own pace!

K-1<sup>st</sup> 2:45- 3:45

### Fashion Design

Design your very own clothing line. Work with a designer on all stage of the fashion process: draw your ideas, cut your patterns, choose a fabric, and make a miniature sample of your fashion line, as well as other accessories.

3<sup>rd</sup> -5<sup>th</sup> 3:45-4:45

### Instructional Swim

*(Students must be signed up for full day. Limited to 9 students)*

Students are taught fundamental Swimming skills including: breath control, kicking, and floating. Swim focuses on stroke and rhythmic breathing. Students are picked up from 39 and brought to the temple.

K-1<sup>st</sup> 4:45-5:45  
2<sup>nd</sup> -5<sup>th</sup> 3:45-4:45

## THURSDAY

### Circus Arts

*(Circus is Limited to 12 Students)*

Run away, join the circus and still be home for dinner! Learn tumbling, juggling, clowning, Diablo, partner acrobatics, rope and plate spinning, clown makeup, human pyramids, and much more! This fun filled class allows ordinary youngsters to become circus stars!

K- 2<sup>nd</sup> 3:45-4:45

### Magic

*(Magic is Limited to 10 Students)*

Make things appear, disappear, and do all sorts of magical things! We will learn amazing tricks with everyday objects, and build secret devices. Basics of magical trickiness, including sleight of hand, misdirection, and optical illusion will be covered. Get ready to make your friends marvel, gasp, and laugh!

3<sup>rd</sup> -5<sup>th</sup> 4:45-5:45

### Tap Dancing

This class is designed to refine tap skills, while moving beyond the fundamentals of tap. Students will put the fundamentals to work by learning new steps, rhythms, patters, and combinations students will also learn different styles of tap such Stomp, Showboat, and rhythmic.

Students should have their own tap shoes

K-2<sup>nd</sup> 2:45-3:45

### Tap/Jazz

This class includes age-appropriate strengthening warm ups as well as stretching techniques to encourage young muscles, across the floor movements, center combination using multiple prop work.

3<sup>rd</sup> -5<sup>th</sup> 3:45-4:45

### Legos in Yu-Gi-Oh Math!

*( Legos is Limited to 8 Students)*

Using the enjoyment of Legos and awesome yu-gi-oh cards to have a hands-on experience with geometry skill, patterns, shapes and improving number sense.

K- 2<sup>nd</sup> 3:45-4:45

### Lego Tech

*( Legos is Limited to 8 Students)*

Students enter the world of science & technology through legos; explore simple machines (including gears, levers & pulleys) as well as motors for vehicles.

3<sup>rd</sup> -5<sup>th</sup> 4:45-5:45

### Red, Blue and Glue

Using found objects, buttons, seeds fabric and tissue paper, children explore and create their own fantasy (two and three dimensional) pieces of art!

K-1<sup>st</sup> 3:45-4:45

### Open Studio: Mixed Media Art

An exciting experimental art class in a studio atmosphere. The students will be using various materials and media related to themselves, their world and interests. We will emphasize creativity and personal interpretation.

2<sup>nd</sup>- 5<sup>th</sup> 4:45- 5:45

## FRIDAY

### Cooking: Fridays Treats!

Is there a difference between an herb and a spice? What is a whole grain? Cooking classes take a healthy approach as children learn the connections between the food we grow and what we put on the table.

K-1<sup>st</sup> 2:45-3:45  
2<sup>nd</sup> -5<sup>th</sup> 3:45-4:45

### Instructional Swim

**(Swim is Limited to 6 Students)**

Students are taught fundamental swimming skills including: breath control, kicking, and floating. Swim focuses on stroke and rhythmic breathing.

Students are picked up from 39 and brought to the Temple. **Parents must pick up at 5:45 at the Temple (274 Garfield Place corner of 8<sup>th</sup> Ave)**

K- 2<sup>nd</sup> 3:45-4:45  
3<sup>rd</sup> - 5<sup>th</sup> 4:45-5:45 (Intermediate)

### Hip Hop Hooray

It is time to get the soul train line ready as everyone boogies their way to the dance floor. Kids learn the fundamentals in hip hop, from breaking to boogaloo to popping and locking. The class will fuse in music from across the world. Students strengthen their fine motor skills, develop a broader range of movement. Hip Hop moves enhance balance and upper body strength (as we learn arm freezes or work on hand stands) all in a safe environment. Kids are encouraged to let their own unique, personal creative spirit shine and incorporate their own style into the class. Come have fun while we groove to the spirit of life.

1<sup>st</sup> -2<sup>nd</sup> 2:45-3:45  
3<sup>rd</sup> -5<sup>th</sup> 3:45-4:45

### Sports Sampler

A little bit of everything—basketball, soccer, basketball & kickball. Each sport for one month. Rules of the game, skill building, coordination and teamwork taught.

K-2<sup>ND</sup> 3:45-4:45

### Basketball

This class will focus on the five main factors of basketball: Foot Work, Dribbling, Passing/ Catching, Ball Handling and Shooting. Along with these five main factors, the class will learn how to play offense and defense, as well as learn five positions of basketball, what their individual positions are, and how to play said position. Our goal for the term is to improve your child's hand coordination, knowledge of the game of basketball and understanding of teamwork. Students are picked up from 39 and brought to the Temple.

**Parents must pick up at 5:45 at the Temple (274 Garfield Place corner of 8<sup>th</sup> Ave)**

3<sup>rd</sup> -5<sup>th</sup> 4:45-5:45

### Maskmaking

Use your imagination and transform into something else every Friday!

Students will explore the tradition of theatrical masks by examining those from all over the world! They will develop a character, design then perform a skit using their very own mask!

K- 2<sup>nd</sup> 3:45-4:45  
2<sup>nd</sup> -5<sup>th</sup> 4:45-5:45
