- Overall Grade: Based on grade level standards and determined by the policies outlined in this document. These grades are based on work graded with a rubric.
- Sub Categories: Sub categories are used to provide additional information about your child's performance. Subcategories will be rated using an E-U scale (E=Excellent, G=Good, S=Satisfactory, N=Needs Improvement, U=Unsatisfactory). Subcategories are not averaged to determine the overall grade in any given subject and do not impact overall grades. Overall grades are determined by the policies outlined in this document.
- Final Grades: Final grades indicate student performance across ***Marking Periods 1, 2 and 3 (unless otherwise noted)***, not for just the third marking period. These grades reflect cumulative student performance across the year from September to June.

**** Kindergarten students will not receive a formal report card until March 2019.**

The DOE has provided all teachers with time every Tuesday afternoon between 2:40-3:20 to engage with families to strengthen the home/school connection to support our children. Families can request face-to-face meetings or telephone conversations with any of their child's teachers or service providers by contacting the teacher and making an appointment. As you know, our teachers are not limited to these times to communicate with families but if you have a concern that may require an extended conversation or meeting, please make use of this opportunity.
