Dear Fifth Grade Parents & Families:

Our fifth graders are invited to participate in our annual senior day trip to the Pocono Environmental Education Center (PEEC) in Pennsylvania. PEEC is an exceptional organization that affords students the opportunity to explore and investigate the natural world. The study of nature and natural systems is the focus of PEEC. The National Recreation Area includes numerous state parks, forests and game lands which offer opportunities to explore shady hemlock gorges, the scenic Delaware River, diverse lowland and upland forests, rushing waterfalls and streams, a quarry containing 400 million year old fossils and ponds teeming with insect and amphibian life.
