

September 2019

Dear Second Grade Families,

Welcome to class 2-208! My name is Miss Jaffri and I am so excited to begin my 3rd year as a second-grade teacher at PS 39! Teaching has always been passion of mine and I am thrilled to begin my 9th year of teaching this year! I am so excited to get to know your children and have the opportunity to work with them this year!

Your child's academic, social, and emotional growth is a collaborative effort between the teachers and the parents. Every Tuesday between 2:40-3:25 has been designated by the DOE as Parent Engagement Time. These 40 minutes have been set aside for face to face meetings, telephone conversations, and written correspondence (including email) with parents. Although this specific time has been provided, we'll be communicating regularly. School/family communication is important to us at PS 39 so please feel free to reach out with any questions, concerns, changes in pick-up or play-date arrangements. **For your child's safety, it is especially important to inform me of any change in pickups or play dates in writing- either an email or a note in your child's folder.** The best email to reach me at is zjaffri@ps39.org. Please allow 24 hours for a response.

I have created a Class Dojo site for our class, which allows you to stay connected with what's going on in our classroom. You will be receiving a Class Dojo slip with log in information in your child's folder. Please use the log in information to access our class on Class Dojo!

Please remember to check your child's back pack and homework folder each day and make sure to return permission slips or important documents in a timely manner, as well as to empty out any 'Keep at Home' items from the right side of the folder. This is much appreciated and helps keeps your child's work organized! Thank you!
